Bacon Academy

Our Students: Class of 2025

Academic Program Highlights

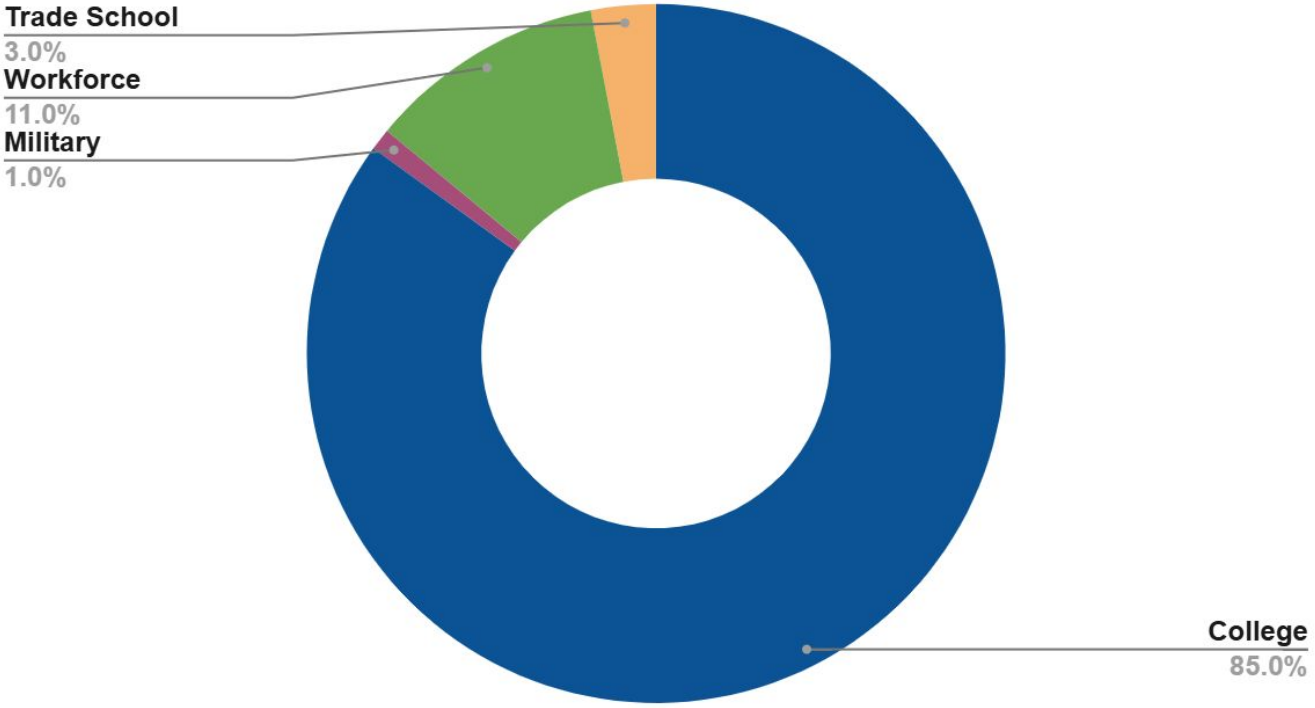
College Board National Recognition: 53 students received recognition for their outstanding performance on the PSAT/NMSQT®, PSAT™ 10, and AP® Exam.

Seal of Biliteracy: 7 graduates were certified as proficient in more than one language, showcasing their linguistic talents.

Department of Labor Pre-apprenticeship Certification: 23 students graduated with credentials that highlight their occupational competencies and readiness for employment.

Youth Manufacturing Pipeline Initiative (YMPI): 5 students passed this rigorous assessment, indicating their preparedness for careers in manufacturing. 19 students passed the Manufacturing Skills Inventory; part of YMPI.

Where Did the Class of 2025 Go?



College : 85%

Trade school : 3%

Military : 1%

Workforce : 11%

District Performance - At a Glance

College and Career Readiness: 99% of students in grades 11 and 12 have met the college and career readiness benchmark set forth by the State of Connecticut.

Science: Average NGSS scores for grades 5, 8, and 11 rose from 63% to 65%. The overall percentage of students performing at benchmark on science assessments remains steady.

Mathematics: Smarter Balanced scores for grades 3-8 and CT-SAT for grade 11 both remain stable with cohorts of increased performance.

Literacy: Performance remained steady with a consistent proficiency rate in DIBELS for grades K-2 and increases in Smarter Balanced for grades 3-8 and CT-SAT for grade 11.

High Needs: We are exceeding State-level performance in this area. An opportunity to further accelerate growth and close gaps exists.

Post-Graduation Pathways: The diverse paths chosen by the Class of 2025 reflect the comprehensive education provided by Bacon Academy.
